Captain Christian Braveheart:            Ohoy mates. Smell that salty air sailors. There's nothing like a smooth ocean on a sunny day to make you feel so ALIVE.

1<sup>st</sup> Officer SMILEY:                        Aye Captain Christian Braveheart !!! It's a sight to behold. ALL is well with the world. NO TROUBLES; just an E-A-S-Y life for the crew of the Old Ship of Zion.

Captain Christian:                         Aye, 1<sup>st</sup> Officer SMILEY....Life's a Beach when you are sailing in the Ship of Zion. No ill can harm me, no foe alarm me.

2<sup>nd</sup> Officer Shady:                         [ Aside in sinister tones and attitude 2<sup>nd</sup> Officer Shady Sailor sneaks around and speaks to the audience]  
Indeed , hah, smooth sailing today, but there's a mutiny a stirring.

2<sup>nd</sup> Officer Shady:                         I said.....when do we eat around here? I said there's something a stirring in the kitchen !!

[ A small lifeboat drifts into view with a desperate looking villain on board dressed in pirate attire.]

Capt. CROOKED:                            Ahoy there.....crew of the old ship of Zion. Ahoy ! HELP ! Ahoy !

Capt. C B:                                     First Officer Smiley, do you hear something or someone calling for help.

Capt. CROOKED: Someone help....I'm just a poor innocent Pirate....uh...uh....I mean a poor innocent drifter in need of a helping hand. I sort of ran out of luck and lost my ship.

Captain Christian B: Quick, come aboard our ship.

[ They get him on board.....then sinister music starts in the background louder and louder]  
Who are you stranger? You look like a a a a Pirate.

Captain Crooked: Me name is ayr....ayr....ayr.....ah

First officer Smiley: Ayr? What kind of name is that ? I never heard of Captain Ayr !!

Captain Crooked: No No me name is.....Captain Crooked of the Skull and Crossbones Navy.  
[ Music rises and crew in unison aghast ]

Captain Christian: What happened to your ship?

Captain Crooked: Never mind that now....I'll be getting me a new one real soon now.

Narrator: Boys and Girls.....Will Captain Crooked be getting a new ship?  
Which one does he have in mind anyway?

2<sup>nd</sup> Officer Shady: Does anybody know there the Captain Crunch Cereal is? I'm Hungry.
