

Soapy Wash

Scene setup: Soap Bubbles with Wand; Larger Size is Nicer

Cast:

- **Charlie: People Puppet #1**
- **No Name: People Puppet #2**
- **Unseen Props Puppeteer for Bubbles Blowing**

[Bubbles are coming over stage.....one puppeteer is blowing soap bubbles through a wand and they are coming over the stage]

Puppet #1 WOW, COOL !! Mom overfilled the washing machine again with soap. COOL !!

Puppet #2 Hey Charlie! [looks up] What's up there?

Puppet #1 BUBBLES.

Puppet #2 Yeah, I can see that.
Looks like an old Lawrence Welk show.

Puppet #1 Mom was washing clothes and got too much soap in the washing machine again.

Puppet #2 Why does she put so much in !!

Puppet #1 Because we put so much DIRT in !!!

Puppet #2 I see your point.

Puppet #1 Yeah, you should see her wash her car !!!!

Puppet #2 Does she use a lot of soap?

Puppet #1 DOES SHE USE A LOT OF SOAP?

Puppet #2 Yeah, that's what I just said....does she use a lot of soap?

Puppet #1 She uses so much soap that you can't see what color her car is until she rinses the soap all of it. Until she does you think it is white or pink.

Puppet #2 Pink?

Puppet #1 Yeah, she goes to one of those foaming car washes sometimes.

Puppet #2 When you get dirty what does she do to you?

Puppet #1 She just tells me to go to the shower and then hands me a bar of soap and she expects the **WHOLE BAR OF SOAP** to be gone when she comes back !!

Puppet #2 W---OOOO—WWW.

Puppet #1 Yeah, she is a clean Fanatic.

Puppet #2 My Father is like that.

Puppet #1 A clean Fanatic?

Puppet #2 Yeah, but only about my heart.

Puppet #1 HUH !!!!!!!

Puppet #2 My **HEAVENLY FATHER** that is, my **HEAVENLY FATHER** expects me to keep my heart clean. The Bible, God's Word says: *Be ye holy as I am holy.*
